**Our Mission** – Children Without Borders is a non-profit organization that provides life saving medical care to children and preventative health education for families in underserved countries.

**What We Do** – We build hope for the future by:

- Sharing knowledge across cultures
- Establishing and operating sustainable clinics
- Conducting research & training
- Arranging volunteer opportunities

**Where We Serve** – Currently we have clinics in the underserved areas of San Jose, Costa Rica

## **Founder**

Dr. Whitelaw received his medical degree from Boston University in 1971. He was then trained in orthopedic surgery at B.U. Medical Center and Oxford England. Dr. Whitelaw joined the faculty of the orthopedic Department at B.U. from 1978 thru 1995 where he became Chief of Orthopedics at Boston City Hospital. During this time he was involved in volunteering his time in Nepal, Vietnam, Thailand, Malaysia, Ukraine, and most recently in Costa Rica.
